

FAST GAMES FOR OGDEN DIVISION

Davis-Ogden Contest Friday Should Be Replete With Classy Caging

Fast contests will feature the hoop play in the Ogden division during the present week. Three games are on the schedule, two of this number to be staged in Ogden. At Weber Normal college tomorrow evening the fast Box Elder high school aggregation will vie with the Weber state in a contest which should be nip and tuck throughout. Weber thus far has failed to get in the win column while the Box Elder five has one victory registered over the Morgan hoopers out of two games played.

Several changes have been made in the Weber lineup, according to Coach Malcolm Watson. And this will no doubt aid the Weberites in their efforts to win. Lindsay has been shifted to forward from the guard position, while Newman, a new man, will fill down the pivot position. These changes, Coach Watson states, should enable his team to play better ball.

Friday evening the Weber five will tangle with the Box Elder five at Brigham.

The Ogden Tigers will meet the league leading Davis high school five on the Tiger floor Friday evening. From all information received this contest will be a battle. At Davis a few weeks ago Coach Peterson took his team from the floor on account of alleged roughness on the part of the Davis hoopers, the Farmers at that time being out in front 29 to 13.

Coach Peterson has been working his men hard for this battle. If the Tigers lose they will be out of the running for the division title, while a victory will place them on a par with the Davis aggregation.

Krudsen and Farnoff have been playing a flashy game for the Tigers during the past month while the work of Thomas, Ekeon and Smith has also been of the first order. The Tigers have the best hoop aggregation ever developed at their institution and a record crowd will no doubt be on hand Friday when the whistle sounds.

TIGERS EAGER FOR TRACK WORK

Spring Athletic Campaign to Be Started During Coming Month, Says Peterson

Tracksters of the Ogden high school will be called to practice during the latter part of February, according to Coach Carl Peterson. Although the Tigers lost some of their best bats last season through graduation, they expect to have a flashy track team in the field when the season rolls around.

George O'Keefe, star quarterback, Lee Richards, weights, and Bertton, sprinter, are the men who will be selected from the Tiger list when the initial call is sounded. Despite this fact the Tigers expect to have an even better aggregation in the field than the one that represented the school during 1929.

Kern and Loveland will be the two star representatives in the long distance runs. Kern won the annual school cross country race last year and is looked to romp home with honors this year. He is a midget but is a class runner.

Thomas and Gindin will be entered in the sprints. Both of these men should develop into stars of the cinder path.

Skeen, Krudsen, Smith, Holt and Woods are some of the other men who are expected to be on deck when the men are called together for their initial practice.

Baseball, as well as track, will be featured in the spring athletic campaign, according to Coach Peterson. The Tigers expect to meet all comers in all parts of the state, and have already been arranged with the second aggregations of other parts of the state.

ATTACKS LANDIS AGAIN FOR NOT QUITTING BENCH

CHICAGO, Jan. 31.—T. J. Sutherland, an attorney, who filed a petition to Congress with Congressman W. E. Mason, asking an investigation of Judge Landis' connection with baseball while still holding a federal position, Sunday wrote the congressman refusing the request that the petition be modified.

Mr. Sutherland said that Mr. Mason had written him "virtually refusing to present the petition in its present form," and asking that chances be made because it seemed to reflect on federal courts as a whole.

He quoted Mr. Mason as saying "the story in the fact that a man of Judge Landis' caliber and standing had been prevailed on to take charge of America's sport."

"The petition demonstrates that this transaction (the agreement of Judge Landis to become baseball commissioner) is prohibited both by the constitution and the laws of congress and I can find no reason for your refusal to get it before congress," Mr. Sutherland wrote Congressman Mason.

"My petition is not an accusation, but a defense of and for the protection of high minded federal judges."

LIQUOR OR CROOKS CAN'T SPOIL BASEBALL—LANDIS

CHICAGO, Jan. 31.—Saloon made crooks and crooks made horse racing and boxing more than the public would stand, but neither liquor nor crooks are going to spoil baseball, Federal Judge Landis, baseball commissioner, said today in an address in an Extension church.

"Now that I'm in baseball, just watch the game I play," he said. "If I catch any crook in baseball the rest of his life is going to be a pretty hot one."

ALL-AMERICAN ATHLETES NAMED

Western Track and Field Men Well Represented on Official List

NEW YORK, Jan. 31.—Athletic club members predominate on the all-American track and field team selected for the season of 1934. PEP INSILLER.
LOS ANGELES, Cal., Jan. 31.—Chester Stange, veteran major league catcher, who comes to Los Angeles this year, is expected to put plenty of "pep" into the local Pacific Coast baseball league club. His experience will be useful in helping young pitchers and in giving them confidence.

Stange was with Detroit last year in 79 games he hit for a percentage of .231. His friends in Los Angeles say they believe he will bat around .275 in the coast circuit.

NEIGHBORHOOD GOLF.
LOS ANGELES, Cal., Jan. 31.—Six nearby towns, Whittier, Fullerton, Anaheim, El Monte, Puente and Riverdale, have formed a neighborhood club and contracted a golf course three miles from Whittier. The club has been named the Hacienda Golf club. Alfonso Bell, once a well known Los Angeles tennis player, is one of the leaders.

NEW LEAGUE PLANNED.
TWIN FALLS, Idaho, Jan. 31.—Organization of a new baseball league in southern Idaho is being considered. The towns mentioned for places in the organization are Boise, Nampa, Caldwell, Twin Falls, Burley, Pocatello and Idaho Falls. The new league, it is expected, would make an effort to enter organized baseball.

The area of the island of Cuba is 46,581 square miles, or about that of Pennsylvania.

TYING TY MANAGERS' WORRY

(BY DEAN SNYDER.)

Tying Ty Cobb has a new meaning now. It once meant tying him at the plate and on the bags. This year it will mean tying a whole ball club that is being directed by the quickest thinking brain on apikes. But Ty was never tied as a player. Tying him as a skipper will be a bigger job.

He takes the Bengal Cat in hand at a time when their claws are dulled. Already he's started sharpening 'em. The best and only way to get a loser out of a rut is to apply reform—not destructively, but constructively.

REFORM SCHEDULE.
So Ty's brain that has out-smarted players for 14 years will try to out-smart rival managers too.

The fast Georgia Cracker program will be:

Speed training to benefit players not pocketbooks.
More rope for base runners.
Win today's game today!

Less attention to cards and dice.
Thinking baseball off the diamond as well as on it.

Fighting till the last man is out.
Speed—always more speed.
Cobb's rebuilding can't be accomplished in a day or a season. But, judging from the way Detroit fans supported a loser, they'll back up a fighter.

LOVES LIMELIGHT.
Of the Georgia's temperament—the years have tamed his hot head but not his cool brain. He loves the color of the spotlight as much as ever. All pelma domus do.

Last year when he wasn't leading, due to injury, he was the picture of gloom. But he fought his way back to his stride. At the end of the season Cobb was going like a house afire.

HUGHES THIRTE.
When Hughes Jennings quit the Bengal bird house he paid Ty this tribute: "Cobb's temperament has stood in his way at times. But on the field he thought so much faster than other players much of his real greatness wasn't appreciated."

So now realize the value of team play better than Ty. He never once refused to take a signal from me.

I don't take credit for developing him. Cobb has been a law unto himself. I told him to go ahead and play his own game back in 1927.

President Navin has faith in Cobb as a playing manager because of this speaker's success in a similar role. With Ty and Ty thus cast as the only Ty playing managers in the majors their clothes will always be full of additional color.

Ty in his double role can be expected to rival Ty when he gets his machine clicking a la Cobb.

Snake Parry, Hopkins, Harold Ray and Freddie Paul, all former University of Utah tracksters, will wear the colors of the New York A. C. during the coming season, according to the decision at the end of the meter was rendered in favor of Caddock.

Since that time London has been eager to defeat the former champion and the wires between Ogden and New York have been kept hot during the past week. The match, however, has been arranged and the winner will be pitted against the present champion, Lewis, during the early part of March in a championship contest.

Although Caddock was the victim of the headlock in his recent match with Lewis, London states that if he is successful in his coming tilt with Caddock, that he will not fear this vice-like hold of the titleholder.

London recently defeated Jack Harberson of Ogden in straight falls, using the headlock to turn the trick. Fans who attended the tilt were convinced that the Greek champion could use this hold to perfection, also.

CLAPHAM WINS OVER CARBON COUNTY PRIDE
EPHRAIM, Jan. 31.—More than 700 sport followers crowded into the Snow gymnasium here Saturday night to witness the mat contest between Sam Clapham, the British Lion, and Ben Sevedy, pride of Carbon county. Clapham won the first fall in 62 minutes with a body scissors and arm lock. Sevedy failed to come back for the second fall and Clapham was awarded the match.

During the entire match Clapham was the aggressor. Both men weighed about 180 pounds.

BOWLING TOURNAMENT.
ST. PAUL, Minn., Jan. 31.—The thirtieth annual tournament of the International Bowling association will begin here Friday, February 4, and continue through February 14.

Two hundred and seventy-two five-men teams, 602 two-men squads and 1,211 singles events are on the program. In addition to bowlers from Minneapolis and St. Paul, entries have been received from Chicago, St. Louis, Milwaukee, Sioux City, Omaha, Des Moines, Fargo, Lincoln, Sioux Falls, Webster, Iowa, Winnipeg and other cities.

RICHARDS AT SCHOOL.
STANFORD UNIVERSITY, Cal., Jan. 31.—Alva W. Richards, 1912 Olympic games winner and high point man at the American Expeditionary Force games, has registered at Stanford university but will not be eligible to wear the Cardinal against the University of California at this year's dual track meet. Richards is registered in the pre-medical department.

At the A. E. F. games Richards won first place in the standing broad jump and running high jump.

CRICKET PLAYER DEAD.
LONDON, Jan. 31.—(By Canadian Press). William Gunn, the famous cricket professional, died at Nottingham yesterday.

THE INSIDER SAYS
McGraw is playing for an ace. His jack's heated to the sun: "Just one good man will make," says he. "My team, a Number 1."

Penn will spend \$40,000 in reconstructing its baseball on the Schuylkill. It'll even have an electric drying machine for the frowns' toes.

The Yale bowl is to have a rival at Michigan. Andy Archer is to have a stadium that will seat 100,000. It'll take 10 years to build it.

Brooklyn is still refunding on the fourth world series game that was to have played in Flatbush. It Speaker hadn't sent Coveleskie at 'em twice in Cleveland.

If some of the dope on rookies is true many big league records will go to the scrap heap in the training camps.

R. B. Benjamin, custodian of Willie Hoppe's cue hands, says a title match with Foreman won't be ripe until autumn. Leaves will have turned to gold then.

NEVADA U COACH WILL JOIN NORTHWEST LEAGUE

SAN FRANCISCO, Jan. 31.—"Corky" Courtwright, athletic director of the University of Nevada, plans to play baseball in the Pacific International league this season. He is on the roster of the St. Louis American club and said he must get permission to play from the national commission. Courtwright declined to report to St. Louis this season because of his contract with the university.

LONDOS LEAVES FOR NEW YORK
Greek Heavyweight Champion Will Meet Caddock in One Fall Match

Jim London, Greek heavyweight wrestling champion, and one of the contenders for the world title now held by Ed Strangler, Lewis, departed from Ogden last night for New York City, where he is scheduled to meet Karl Caddock on the mat in a one-fall match, at Madison Square Garden, February 11. Jack Curley will promote the coming contest.

London and Caddock recently wrestled at San Francisco each man obtaining a fall in the two-hour period. The decision at the end of the meter was rendered in favor of Caddock.

Since that time London has been eager to defeat the former champion and the wires between Ogden and New York have been kept hot during the past week. She Would Change S. I. S. Jurisdiction

(Special Dispatch)
STATE CAPITOL, Salt Lake, Jan. 31.—Representative May Belle Davis of Salt Lake county introduced a bill in the house today providing for the removal of the juvenile courts from the juvenile court commission and placing the jurisdiction of the courts under the state board of education.

Mrs. Davis' bill also provides for the establishment of a department of purchase and finance. W. W. Riles appeared for the University of Utah and John Dorn for the Agricultural Experiment Station.

Mr. Dorn said the department would cost \$24,000 a year and would accomplish nothing. He urged that neither the university nor the college be placed under the proposed department.

JUDGE WILL NOT BETRAY CONFIDENCE OF YOUTH
WASHINGTON, Jan. 31.—The appeal of Judge Ben B. Lindsey of the Colorado juvenile court from conviction on charges of contempt of court, was dismissed today by the supreme court.

DENVER, Colo., Jan. 31.—Judge B. B. Lindsey of Denver's juvenile court, when informed today that the supreme court had dismissed his appeal on charges of contempt of court, said: "I'd rather go to jail than betray the confidence of a child."

The judge said this would be his attitude if the district attorney of this county moved for execution of the sentence imposed upon Judge Lindsey.

Judge Lindsey was fined \$500 for contempt of criminal court. He attempted to refuse to pay the fine, preferring to go to jail rather than pay.

Judge Lindsey's conviction, which resulted in a fine of \$500 grew out of his refusal to divulge to the district attorney the names of the children who were accused of complicity in the murder of a farmer. Judge Lindsey maintained that the children were privileged and that it would be a violation of law and ethics for him to testify as to such information.

BILL AIMS TO DISMISS YOUNGER MEN IN NAVY
WASHINGTON, Jan. 31.—Reduction of the navy's enlisted personnel to a maximum of 100,000 men as compared with a present possible maximum of 145,000 is provided for in the naval appropriation bill, to be reported to the house tomorrow.

If adopted, the bill would process will begin July 1, the start of the new fiscal year. Chairman Kelly of the sub-committee which framed the bill, expressed the belief that 100,000 men would be sufficient and that the navy would be put on a regular basis with elimination of thousands of boys now in service.

The committee was said to have no change in continuing the building program with possible exceptions of a slight slowing up of the work.

Expected Today.—Peter Madsen, father of M. C. Madsen, whose body was found beneath the Bamberger viaduct at Thirty-second street and Wall avenue, is expected to arrive in the city this afternoon or tomorrow morning to make arrangements for burial.

L. D. S. IN OGDEN RAISE \$8,000 TO AID RELIEF FUND

Incomplete reports from three stakes of the Latter-day Saints in Ogden and Westminster, indicate that over \$8,000 has been contributed to the Bishop's Relief fund by the members of the church, who observed the fast day on Sunday, January 29.

Several wards in each stake have not yet reported collections to the stake office. Weber stake leads with \$3,000 paid to the stake office with more wards to be added.

To both the North Weber and Ogden stakes the incomplete reports show both stakes have collected over \$2,000 each.
